Synopsis

It's 2020, and sisters Jo and Riley have just moved into Grandma and Grandpa's spare bedroom. Dad is deployed overseas and Mom is suddenly working 24/7 as an E.R. nurse. Spring Break has been extended indefinitely, the end-of-the-year musical has been canceled, and Grandpa hasn't turned off the news in days. Follow along as Jo tries to get her younger sister's mind off of the chaos around them with the help of a dusty old copy of Grimm's Fairy Tales, Grandma's clutter, and the power of their combined imaginations. There will be plenty of "happily ever afters," a wealth of talking animals, and an extra dash of girl power
